large or too small

Moving Checklist

- Plan ahead and start packing early.** Give your landlord or property management company the required notice in writing.
- Make sure you have all the necessary supplies,** including boxes, tape, and markers.
- Label all your boxes** with what room they belong in and what is inside them.
- Make a list of important items** you will need right after you move, such as toiletry items, bedding, and kitchen supplies.
- Use color-coded stickers to indicate which items are fragile** and use bubble wrap or newspapers to keep them safe.
- Pack a suitcase or bag with your essentials** (clothes and toiletries) for the first few days in your new home.
- Make a list of important items** you will need during the move, such as your passport, driver's license, and medications.
- Empty out your refrigerator** and freezer so that nothing spoils during the move.
- Shut off all utilities** (electricity, water, gas)
- Have a garage sale or donate** unwanted belongings to charity to lighten your load.
